

## First Clean Up Day organized as part of the “Bethlehem Green City” project

May 24, 2023

On Saturday 13<sup>th</sup> of May thought Bethlehem green city project funded by Italian Agency for Development Cooperation first clean up event has been organized by the Bethlehem municipality in collaboration with John Paul II Foundation, the Wonder Cabinet, Right to Movement and the Join Service Council.

Indeed the project is about the improvement of solid waste management in Bethlehem governorate and this event is one of the activity to raise awareness on the importance of the environmentally friendly and sustainable behaviors.

During this activity the partners implemented a day of cleaning and greening street of Karem Muammar where about 50 volunteers participated in addition to workers and employees of Bethlehem Municipality.
